Choosing a Saint for Confirmation

Why?

How to choose a Saint?

- Your given name
- Your birthday's Saint feast
- Family devotion
- Someone you admire
- Personal interest. There is a patron saint for almost anything.

What do I need to do for my saint paper?

- A short biography, 2-3 paragraphs. The following are good, reliable internet resources:
- www.catholic.org/saints
- www.americancatholic.org/features/saintofday/default.aspx
- www.newadvent.org/
- www.loyolapress.com/saints-stories-for-kids.htm
- www.catholic-forum.com/saints/patron02.htm This is more of an index of patron saints. So if you are looking for a saint, look here for some activity e.g. sports, music, art, etc. That you are interested in.
- www.catholic-saints.info
- We have many great books in the office you are more than welcome to come check out. We can make copies of the pages of interest to you.

- Make a personal connection with your saint: In your paper you are required to explain why you chose the particular saint and how you plan on imitating that saint. **THIS IS THE MOST IMPORTANT PIECE OF YOUR WORK!!**

The saint you write about in your paper will be the saint whose name you will be taking the day of your confirmation.
